A Monthly Insight Into Our Syracuse City Community

June 2017

MAYOR'S MESSAGE

Many have been asking what is going up on the corner of 2000 and Antelope. It is a CVS Pharmacy and it should be open by November.

This is an election year for our local offices and it is a unique year. On the ballot will be one 2-year council seat, two 4-year council seats, and the office of mayor, a 4-year term. Be brave, throw your hat in the ring, and make a difference.

I have just finished my second year of "Lunch with the Mayor" where each school in the area selects 12 students to come to city hall to eat lunch and learn about how the city is run. The experience has been extremely educational and exciting for these students. I want to thank the schools and students for making this successful.

My next step in bringing city government closer to the citizens is to schedule a couple of cottage meetings each month throughout the city for the balance of the year. My desire is to have citizens volunteer their homes and invite their neighbors to view a 15 to 20 minute power-point presentation from the city and then answer your questions. If interested in hosting a cottage meeting, contact Jody Peeters at Syracuse City 801-614-9623 or send me an email to tpalmer@syracuseut.com

~Mayor Terry Palmer

POLICE DEPARTMENT

Good News from the Syracuse Police Department

On May 10, 2017, Syracuse Police Department held its annual officer appreciation banquet. The banquet allows the Department to pay tribute to all officers who have lost their lives in the line of duty; additionally, it gives the Department the opportunity to recognize members and special guests for their impressive service during the past year.

The Department recognized Officer Brandon Mauhar (Employee of the Year), Detective Casey Johnson and Officer Garrett Whatcott (Criminal Investigation Commendation), Sergeant David Skinner and Police Service Dog Kade (K9 Commendation), Officer Stan Penrod, Officer Garrett Whatcott, and Officer Mark Reid (Military Service Commendation) and Officer Garrett Whatcott (Advanced Degree Commendation, Bachelor's Degree). Additionally, Syracuse Police Department was proud to bestow upon Principal Wendy Nelson (Syracuse High School) the Chief's Award for her years of service to the community and support of the Department.

FIRE DEPARTMENT

Ready to celebrate the holidays this Summer? Fireworks are a wonderful way to celebrate holidays, but they must be used carefully! Again, we are encouraging individuals and families to be **fireworks smart** before, during, and after their fireworks display.

As a reminder, here are the **2017** Fireworks purchase and discharge dates. Class 'C' (consumer grade fireworks) may be sold and purchased June 23rd through July 27th. Fireworks are allowed to be discharged between the hours of 11am and 11pm, **July 1st through July 7th** (July 4th hours extended to midnight), and again **July 21st through July 27th** (July 24th hours extended to midnight).

As usual, we stress that everyone pay particular attention to safety recommendations and safety tips from manufacturers and retailers who sell fireworks. Follow all safety guidelines exactly.

There are no restrictions to fireworks this year, but if you live near a dry grassy field or agriculture, only the following Syracuse parks are available for small fireworks display: **Bluff Ridge or Freemont Park**. A **Fireworks Discharge Permit** through the Syracuse Recreation Department is required for fireworks in any other park. If you use the parks, **you** are responsible to **pick-up and remove any litter and debris left by your fireworks!**

We hope you will help us keep our community clean and safe for all to enjoy this Summer!

PUBLIC WORKS

Spring Garden Fair Saturday, June 3rd, 8:00 am - 2:00 pm, held at the Learning Garden 2837 E. Highway 193 Layton. Just west of the intersection of Hwy. 89 and 193, 801-771-1677

Each year the District hosts varied events to provide the public with opportunities to come and learn how to have attractive, and water-efficient landscapes. In 2017 the District will have only one Garden Fair, but the fair will increase in scope and size to include more vendors and more activities. The District invites experts and vendors in the landscape industry to come to the Learning Garden and sell their products and provide information about their products or services. The KSL Greenhouse Show will broadcast live on site and there are mini-classes with a wide range of topics and activities for all ages. The experts that are invited have experience in all areas of landscaping and can provide advice and help to achieve the landscape you want while reducing water waste. Your sprinkler system is the main thing to ensure success. You can purchase plants from local nurseries on site and participate in garden tours and water treatment plant tours. The Garden Fair is FREE and all are encouraged to participate. Come and enjoy a few minutes at the Garden Fair, see the Learning Garden, get answers to your questions or find some great plants for your own yard.

Environmental

Did you know that one of the best and simple ways to improve curb appeal to your home is by removing the overgrowth, sediment, and debris that collects in the curb and gutter over time? Doing so, not only enhances the appeal of your home making it attractive, but also helps to keep our storm water clean before entering the pipes and ditches that empty into our Great Salt Lake. Clean gutters also improve water flow and prevents water ponding that often times leads to moss growth during hot conditions. Clean gutters also helps to reduce deterioration that occurs to our roads, thereby helping to extend the life of our roads. Incorporating this simple practice into your routine yard maintenance will help to make our city a more attractive, clean, efficient, and healthy place to live!

When do you need an Excavation Permit?

Excavation permits are available on the City website under Public Works Info. An excavation permit is required to widen a driveway approach, cut curb and gutter, and cut through existing sidewalk. Persons doing the work are required to be licensed and bonded, or a \$1000 refundable deposit must be placed with the city to cover any expenses or injury to city property.

2000 W Road Project www.udot.utah.gov/sr108

Passport application processing services are offered at City Hall between **9:00am - 4:00pm**, processing takes approximately 20-30 minutes per application. Walk-ins are served in the order of arrival, with multiple New Passport Applications or photos wait times may be longer. Applications must be completed prior to 4:00pm to be processed the same day.

At the time of application, applicants **must present** a completed application, Certified U.S. Birth Certificate and Valid Photo ID. Applications can be filled out prior and printed from the www.travel.state.gov website.

Application fees **must be paid** with a **Check or Money Order** made payable to the **U.S. Department of State**

Mosquito Abatement District Davis: Spray Requests

Mosquito Abatement District-Davis (MADD) has seen a dramatic increase in spray request emails/calls recently from Syracuse compared to other communities in Davis County (about 5 times as many calls). It is commonly believed that if more emails/calls are received, that MADD will spray more often. Making multiple requests by way of having many people call one night after another only increases the number of Spray Request forms that have to be completed stating that the request was addressed with a single spray. The truth is Mosquito Abatement hits most of Syracuse once a week. Some of the areas closest to the wet lands could see a spray truck in the area twice a week, especially when mosquito populations are high (MADD uses traps to track population numbers). MADD may spray areas multiple nights in a row and multiple times in a week if West Nile virus is detected. Please help MADD by emailing/calling in a spray request in a responsible way so they can use their time spraying instead of filling out multiple report forms.

Syracuse City Code 10.30.40 (D) Dog Kennel Regulations
